OUTDOOR SPORTS

A Young Team

This year's tennis team was a very young one with only three returning players, L. Isbicki, L. Schile, and P. Keller. The rest of the team consisted of freshman. They were L. Angle, C. Emery, M. Landis, C. Morris, and D. Merkel. Lydia Hayhor was the coach.

The final record did not show what the team really did. The team showed a great deal of determination and spirit to win. Individual records showed signs of improvement over the last few seasons, and will keep improving over the next seasons as they gain more experience. The record for the 1981-82 season was 0-9. The team hopes to have a better season next year.

Teamwork Means Victory

The VMC volleyball team recently ended a successful season. They placed third in the NAIA District 18 tournament in New Willmington.

Members of the 81-82 volleyball team are: Pam Plasket, Lori Davis, Joni James, Nancy Fay, Stasia Coyne, Anne Davis, Marianne Henshaw, Sue Phillips, and Rose Kemmerer.

For the second year Pam Plasket was selected to the Women's Keystone Conference All-Conference Team, and was also chosen to the first ever NAIA District 18 Volleyball Team. Pam led the Conference in kills and was fifth in the Conference in saves.

The team ended the season with a 9-15 record. There was much talent on the team this year, and with the help of some aggressive newcomers and the advantage of an entire team returning next year looks to be even brighter for the team.

Shoot, Shoot The Hoop

The members of the 1981-82 Basketball team consists of Lynn Peake, Pam Plasket, Lori Davis, Sue Vaughn, Lindy McCartney, and Andrea Glucki.

The team has shown and proved their talent by the statistics from The Western Keystone Conference. Four of the team members have made this list. Lynn Peake has made it in the top 10 spot for leading steals. Andrea Glucki has made it in the top 10 for leading scorers. Pam Plasket has accomplished superb rebounding in not only the W. K. C., but also in the National Association of Intercollegiate Athletes. Then there is Lindy McCarney, she has excelled in four different areas. She has made the top 10, in scoring leaders, percentage of shots, foul shot leaders, and finally, assists.

Despite their losing record, they show a lot of hustle and enthusiam. They work well as a team and will have a good year to look forward to next year.

A NEW VILLA EVENT

A FOOT - STOMPIN' GOOD TIME

As part of the celebration for Big Sister-Little Sister Weekend, Villa's Campus Girl Scouts sponsored a square dance in the gym. About twenty-four students and sisters enjoyed "promenading" at the command of the caller Gene Smith, while other students "dosey- don'ts", watched, and laughed. When all the fancy footwork was "squared" away, the participants were shown how to perform line dances to disco classics. All would agree that "ya-hooo!" was the word for the night!

A letter home to the folks.

"Topping off" a hard day.

A quick bite before the second shift.

Good times, good friends, . . . good food?

Whew! That was ***some*** test.

Life at Villa Maria

"Oh. You say you want to go home and die?"

Lori looks like this because A) she just swallowed her report B) her lips are glued shut C) it's natural.

"What would Mom say if she saw us like this?"

"You're probably wondering why I called you in here . . ."

"Good, take a picture of me now while I'm working."

The Vixen staff wishes to express its appreciation to Tim Kimmel, Diana Compel, Alice Miller, Nancy Detesta, Jeff Brooks (Josten's Representative), VMC Public Relations Office, Judy Stanford, John Young (Yearbook Advisor) and many others without whose help this book would have never been published.

My friend,
we have come such a long way
in the time that we've
known each other.
We've given each other encouragement
and have accomplished things
that we never thought we could do.
I have become a better person
since knowing you.
You have given me many things
which I will treasure for a lifetime,
and the most important thing of all
is the gift of your friendship.
